

Area Attractions

Just a half mile away from the Falmouth Heights Motor Lodge you will find the picturesque village of Falmouth, rich in historic and cultural activities. Falmouth celebrates several annual events throughout the season, such as the Strawberry Festival, the Street Fair and the ever popular Falmouth Road Race.

The Lodge is located on Falmouth's bike route, which connects onto the Shining Sea Bikeway. Take a bike ride along the scenic Shining Sea Bikeway or drive along the seven miles of seashore past the majestic Nobska Lighthouse to the neighboring village of Woods Hole. A bounty of marine culture exists at this seaside port. Tour the aquarium, visit the Woods Hole Oceanographic Institution; world renowned for marine research, or feast on some local delicacies at one of the many waterside restaurants.

Do you want to laze on the beach? A three minute walk brings you to famous Falmouth Heights Beach, literally 175 yards from our property line. Enjoy the sun and the sea or perhaps have a meal here. Or, sail to the storybook island of Martha's Vineyard on the Island Queen. The ferry dock is less than a five minute walk from our front steps. Whichever you choose, you will not have to concern yourself with parking fees, leave your vehicle at the Lodge.

Beyond Falmouth, you will find an abundance of recreational activities unique to Cape Cod, from antiquing to beachcombing to whale watching. As a guest of the Lodge, you will be superbly situated for nearby day trips to Hyannis, Provincetown, Plymouth, Newport and other delightful destinations.
