

Welcome to Falmouth Heights Motor Lodge on Cape Cod!

Visit our Secluded & Tranquil 4 Acre Estate

Cape Cod charm abounds at this family owned and operated private estate. The Falmouth Heights Motor Lodge has all the conveniences of a modern motel with the warm hospitality of an inn. For over forty years we have been devoted to providing auspicious surroundings and immaculate rooms.

There are five distinct buildings situated on four and a half, award winning landscaped acres. Each of the five buildings boasts its own features from traditional motor lodge accommodations to bungalow style, suiting the needs of our guests by offering a variety of non-smoking rooms.

Our lush lawns are host to many summertime traditions from barbeques in our picnic grove complete with gas grills to cocktail hour at our beautiful patio pool. A complimentary continental breakfast awaits you each morning in our lobby. Many guests enjoy their morning coffee in one of our wooden glider swings which adorn our lawns and sway with the sea breezes.

Our location can't be beat! We are a half a mile from Main Street Falmouth, where you will find quaint shops, unique clothiers and fine restaurants. A three minute walk along our back pathway leads you to Falmouth Heights Beach with its warm waters and sandy shore. A five minute walk to the ferry boat located in Falmouth Harbor sails you to the idyllic island of Martha's Vineyard. You get the best of Falmouth and beyond, from the convenience of town to picturesque beaches and the seclusion of a private estate setting while being our guest.

All this makes Falmouth the ideal seaside community and the Falmouth Heights Motor Lodge the perfect place at which to spend your Cape Cod vacation.
